Melrose Mare says,
“Be Aware and DO NOT Share!”

Be Aware and DO NOT
Share anything from
your mouth!

Bacteria -
shoo!!!

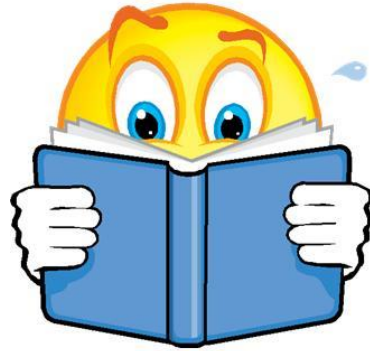

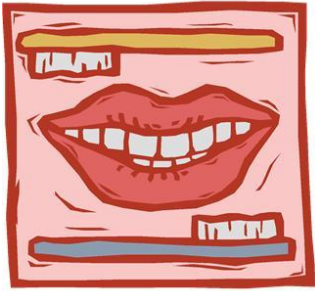

Away from
you!

Be aware, Don't share!

Germs - Germs - Bugs - Bugs

We must be aware

Eat - Eat - Drink - Drink

But do not share. →

Anything
from your
mouth

Sneeze into the tissue

Cough into your sleeve

Wash your hands before you eat

So the bugs will leave.

Be aware, Don't share!

If you're healthy and you know it

sneeze like this

do not share

wash your hands
